

# Mapping Faith-based Organizations in Central America: Migrant Reintegration

Project Title	Mapping Faith-based Organizations in Central America: Migrant Reintegration
Project Summary	Assist the Office of Religion and Global Affairs (S/RGA) in developing a contact matrix that maps the different religions and indigenous groups in Central America working on reintegration.
Country	Guatemala
Agency	Department of State
DoS Office	S
Post	N/A
Section	N/A
Number of Interns	2

## Project Description

The virtual intern would review and analyze peer reviewed articles, survey information, and other research data to gather information on faith-based entities in Central America working on migrant reintegration. After gathering the information, the intern would work with S/RGA to identify the different categories of religious groups. Then the eIntern would feed the categories into a matrix that will show the role that specific groups are playing in reintegrating migrants Central America (especially in the Northern Triangle countries).
